ELITE OF CHICAGO.

Artistic Furniture.

You are cordially invited to inspect our stock of High Class Furniture and Fine Coverings, which contains many of the best productions of this country and Europe, and many articles of merit—our own creation—of which no duplicate can be had.

We have recently engaged in our Upholstery Department the services of one of the best English Artists, for a number of years with Shoolbred & Co., of London, England, and we are daily producing upholstered work after the latest European designs. Our stock is constantly being replenished by new fabrics, and the latest and most correct styles in furniture, both antique and modern.

From us can be obtained the most desirable patterns in exclusive designs for the same prices charged elsewhere for goods less effective.

We also carry in stock a large variety of medium and moderate priced furniture.

Respectfully,

J. A. COLBY & CO.,

REVERSED DIRECTORY

OF THE

ELITE OF CHICAGO,

— GIVING —

The Names of Prominent Residents on the Most
Fashionable Streets of the City and Principal
Suburbs, in Alphabetical Order, with
other Valuable Information.

1883-4

THE ELITE PUBLISHING CO.,

Entered according to Act of Congress, in the year 1883, by

THE REVERSED DIRECTORY.

The fourth issue of the Reversed Directory comes to its patrons with added features of interest which will at once command attention. The names will now be found alphabetically arranged, and in addition to the names of the prominent people resident in the city proper will be found those of the foremost citizens of the suburban towns. As heretofore, none but highly respectable parties are represented in these pages—people whose responsibility and social position are marked.

Herein you may not only find the names and addresses of your friends and neighbors, but also quite a fund of valuable information, such as the location of the fire alarm, the churches, institutions of learning, club-houses, parks, etc. Here may also be found the cards of the leading physicians, artists, and other professional people of the city, as well as those of many of our foremost tradespeople.

To the newcomers in our midst this Directory will prove especially valuable, serving as an introduction to the people of Chicago such as cannot be had in any other way; and, besides, it will furnish information regarding Chicago's institutions which will be absolutely indispensable.

To each of its patrons will this little book be found of decided advantage in one way or another, and its marked success in the

past gives assurance that in its present form, with its added features of interest, it will attain to still greater favor.

When the great amount of labor expended in the production of such a work shall have been taken into consideration, we feel assured that the indulgence of the reader will excuse any error or omission which may occur in these pages.

ELITE OF CHICAGO.

DR. P. A. PALMER, DENTIST,
125 State Street, Room 18.

It is a fixed law that all vitality expended by us must be replaced, or bankruptcy of health and premature death are certain results. There being but one manner of repairing used up vitality, viz., by the digestion of food; this being never properly done after the loss of the natural teeth, and the average dentist not possessing the necessary knowledge and skill for their salvation, it becomes a matter of the gravest importance to the future life and welfare of the patient as to the capabilities of the dentist employed by them. I make a specialty of saving the natural teeth, and can convince all taking the pains to call, why and how teeth are lost through bad operations upon them. If you consult your own interest you will see me before having your teeth spoiled elsewhere, for I save all teeth not previously spoiled by bad dentistry. Yours very respectfully,

DR. P. A. PALMER, Room 18, 125 State St.

THE DAKOTA COMPANY.

Organized under the laws of Dakota for the purpose of dealing in Dakota lands.

MAKES A SPECIALTY in the purchase of lands in the most fertile districts of the territory for capitalists and others desiring first-class investments. Every piece of land purchased is carefully inspected by a member of the company, and a certificate given showing quality and depth of soil, improvements thereon, and number of acres under cultivation. Immense fortunes have been made during the two past years in the purchase of Southern and Central Dakota property. The emigration to that portion of the territory for the coming year promises to exceed that of any previous year by many thousands, and the value of lands in the valleys of the Jim and Sioux Rivers for general farming purposes is just becoming known all over the world.

The Dakota Company, through its offices at Sioux Falls, Yankton, Pierre, Watertown, Hume, Mitchell, and other prominent points in the territory, are prepared to furnish lands in all sections of Southern and Central Dakota at prices which will prove to be most profitable investments.

Free transportation will be given from Chicago to any point in Southern and Central Dakota to purchasers of five hundred or more acres.

For further information call at the general office of the company in Chicago, or at either of the points above named.

Compound Oxygen.

(NOT A DRUG.)

A New Treatment for ALL LUNG, NERVOUS AND CHRONIC DISEASES.

COMPOUND OXYGEN is a combination of Oxygen and Nitrogen, the two elements which make up atmospheric air, in such proportions as to render it **richer in Oxygen, the life-giving element.**

Taken by **inhalation**, it enters the circulation, dissolves and eliminates tubercles from the lungs, and carbonaceous, worn-out matter lodged in the capillaries, and appropriates the new material in the blood in the reconstruction of the dilapidated and enfeebled tissues of the body.

Consumption, which carries fifty to the grave every month from Chicago, is cured by this treatment.

"The **Compound Oxygen** treatment of Dr. Hiatt cured me of **Hemorrhage of the Lungs, Nervous Debility and Salt Rheum.**

REV. J. R. KNODEL, Mason City, Iowa."

"My **Catarrh** was fearfully bad. I was almost deaf. After four months' use of **Dr. Hiatt's Compound Oxygen** I am cured of **Catarrh**, and my hearing is perfectly restored.

"MISS M., of Chicago."

Hundreds of testimonials of like character are in Dr. Hiatt's possession.

All depression, mental or physical, is speedily overcome by this treatment, and a delightful sense of rejuvenation takes place.

Office and home treatment by

A. H. HIATT, M. D.,

Room 40, Central Music Hall, Chicago.

HOWARD SYSTEM.

CENTRAL MUSIC HALL.

Mr. John Howard, of New York, will spend the next six months in Chicago, teaching personally at his office, **Room 33, Central Music Hall.**

His method gives the same voluntary exact control of the vocal parts of the throat that one has of the fingers of the hand.

By certain easily learned movements of the tongue, palate, larynx, jaw and pharynx, the pupil learns to either stretch or relax the vocal chords, to make them heavier for greater breadth of tone, or lighter for higher tones and softer qualities.

The voice is made doubly resonant, and usually gains from two to six notes in compass, while the quality becomes absolutely pure—the singing tone. All this being gained in months instead of years. All interested are cordially invited to call at Mr. Howard's office.

A few minutes' trial and examination of the throat and palate will enable him to decide the present state of each one's voice, and to explain approximately what it will become with moderate study. Mr. Howard is permitted to refer to W. H. Palmer, W. L. Tomlins, and other well known musicians.
